★ 4. Draw a picture that starts with your favourite sound

Which sound did you love most? Draw it here.

Parent tip

- Focus on the SOUND ("sss"), not the letter name ("ess"). Sounds unlock reading.
- Keep sessions short and joyful — 5 to 10 minutes a day is plenty at ages 2–5.
- Watch the free sing-along ABC video on the Elonic World blog for extra practice.
- Celebrate every attempt. Confidence is the fuel that carries little readers forward.
